TECHNOLOGY THAT WORKS ACTIVATED WITH THE HEAT OF YOUR BREATH!

As the world changes, the importance of protecting people from viruses and other harmful bacteria has become evident.

To meet this need, MARS Bio-Med has developed and tested an innovative new standard of seasonal Covid 19 masks to help provide you with day-to-day safety. This is a 3 layer mask.

This state of the art Covid Defender Mask sets a new standard of protection for you and your family with infection protection that is tested and proven to be effective. It is comfortable enough to wear all day and proven to kill 99.9% of bacteria and virus that it comes in contact with.

MARS Bio-Med masks have a unique, proprietary silver ion formula designed to keep you and your family safe in these dangerous times. The MARS Covid Defender Mask is washable, reversible and effective for over a year with no loss of effectiveness.
